Dear Sirs,

In order to rationalize the Danish promotion- and marketing efforts in Hong Kong, it has been decided to close this office with effect from September 1st 1976.

After that date all inquiries about Danish trade should be directed to

Danish Trade Office,

Our marketing manager, Mr. Ip Kam-Moon is joining the Danish Trade Office, and will be the specialist in matters relating to Danish agricultural products.

The Tokyo-office of the Danish Agricultural Marketing Board will likewise be at your disposal in agricultural questions, and representatives will undertake regular visits to Hong Kong importers of Danish food. The address of this office is:
